A/c No. 10086341

Project details

The Cocoa Works

Haxby Road
YORK YO31 8TA

Henry Boot Construction

GATE 1 OFF MANCHESTER ROAD / STOCKSBRIDGE
Global Contract Interiors Ltd
3 The Triangle, Queens Drive / Nottingham NG2 1AE

Project Start Date August 2020

Project End Date 31.12.2023

Agreement Start Date January 2023

Cocoa Works, York

All Support is calculated against our current price list, with the duration based on the start and end dates shown above. All service premiums will be at standard terms unless otherwise shown.

Support number MUST be quoted when placing orders with Knauf Customer Services for support showing additional discounts off invoice & when claiming credits for support on proof of delivery.

Please check project support document and in the case of any query, please contact Customer Administrator at the Sittingbourne office.

Knauf Deflection Head Fire Seal – New July 2019

What is it?

Knauf Deflection Head Fire Seal is used at the deflection head detail of drywall partition systems to provide an effective fire and acoustic barrier. Maximum deflection allowance 25mm downward.

Designed for indoor use in dry conditions.

For more information, contact
Technical Service:

Tel: 0800 030 4135

 /KnaufUK  @Knauf_UK

What are the benefits?

- **Simplification of build**
Eliminates the need for cut fillets, mastics and sealants.
- **Time saving**
Improved productivity from faster installation.
- **Improved quality assurance**
Simple solution — visible result.
- **Waste reduction**
Offcuts can be used on next section of track. Easy disposal of any residual product through normal waste channels.
- **Improved Health and Safety**
Elimination of dust when cutting fillets.
Reduction of weight to be lifted overhead during installation.

Build for the world we live in
