What are the benefits?

- **Simplification of build**
Eliminates the need for cut fillets, mastics and sealants.
- **Time saving**
Improved productivity from faster installation.
- **Improved quality assurance**
Simple solution — visible result.
- **Waste reduction**
Offcuts can be used on next section of track. Easy disposal of any residual product through normal waste channels.
- **Improved Health and Safety**
Elimination of dust when cutting fillets.
Reduction of weight to be lifted overhead during installation.

Build for the world we live in
